

‘Labour is the only Prayer that Nature answers.’

‘Labour Day’ stems from the efforts of the Labour Union Movement to celebrate the economic and social achievements of workers. Labour Day was celebrated at Pallavan School with full aplomb on May 1, 2017. The function started with a prayer. After that speech was delivered welcoming the workers and acknowledging their hard work. The objective behind the programme was to make the students aware of the importance of the working class and to respect them for their hard work. The students learn that labour is one of the greatest elements of our society, the great substantial interest on which we stand. The Head Boy spoke at length about the origin and significance of ‘Labour Day’.

Rendition of group song by student of Primary class was really captivating. Workers were overwhelmed watching the function and expressed their gratitude towards the school management, teachers and students for their endeavours. Tarika of class XII lauded the ceaseless efforts of the work force of the nation and the school in particular through her speech.

Mr. Uttam Chatterji, Vice Principal of the school, in his vote of thanks focused on the priceless contribution of the workers for the smooth functioning of the institution.

The refreshment was served to the support staff by the teachers. At the end, as a token of gratitude, all the members of the support staff were given mementos by the Principal, Vice Principal and the Co-Ordinator.
