

July 1, 2016: National Doctor's Day was celebrated in the assembly to honour Dr. Bidhan Chandra Roy- the legendary Physician. The Vice Principal, Mr. Uttam shared his thoughts with the students.

Activity was conducted for classes IV and V in the Math lab. They were asked to write a few lines on the board as what they feel about doctors and the profession. They participated enthusiastically and the teachers also shared their experience with students about the doctors. At last a motivating speech was given by the Principal Mr. Manoj K. Tyagi as he informed about the importance of doctors for individuals and for the society at large. All the students took a pledge not to eat junk food and consume milk at least twice in a day.
