

July 8: A special assembly was organised on Guru Purnima. Red House children conducted the assembly with daily dose of information in form of article, G.K questions and scientific facts to widen horizon of the students. The Vice Principal, Mr. Uttam Chatterji addressed the children and informed them that the word Guru is used for the teacher who teaches anything to a learner. If we relate it to the ancient time, it is actually worshipping the Guru Vyasa who wrote the 4 Vedas. But in today's time, it is all about worshipping the teacher and showing gratitude towards them for their impeccable hard work for teaching us. Girls of Class IX sang a sublime group song; rendition of poem was done by Sneha Jain. Children gave handmade greeting cards to the teachers whom they consider as their guide and beacon of support to show their affection.
