

Social Science Quiz Competition was organised for classes 6th to 8th on November 16, 2016. It was conducted with the purpose of inculcating the habits of reading and to increase their knowledge. It was a house wise competition. All the participants participated in a very enthusiastic manner.

There were three rounds in the competition and overall 24 students were there in which Red house got the first position, Blue house got the second position and green house got the third position.

For this competition judges were Mr. Hemant and Mrs. Rekha Saxena.
