

The Social Service League of Pallavan School has undertaken projects such as Swachh Bharat campaign, child labour and the students associated with it at regular basis do inspection of classes and school premises to look after cleanliness.

In the month of September, due to the efforts of Social Service League, our students contributed 100 books and 350 pair of clothes to the underprivileged children to support the cause of government.

The teachers-in-charges Mrs. Rekha and Mr. Krishna Mohan have gone to meet the residents of nearby village Munderi under the village adoption programme. The native people were briefed about the initiatives that will be undertaken along with NGO, Ritinjali for women at grass root level that will enable women to develop skills and capability to stand on their own feet and make them self reliant. Training related to tailoring, handloom and pipe fitting would be imparted to the dwellers.
