

The students of Social Service League visited Sai Residential School for Mentally Challenged Children on April 15 which is in Jhalawar. In all there were 24 students who were accompanied by Mr. Manoj Tyagi, Principal; Mrs. Rekha Saxena, In-charge of Social Service League and Mr. Anshul, Sports Teacher. At present there are 55 disabled and mentally challenged children between 6- 18 years of age living in the school.

The students reached the place at 10.45 am. The children of Sai Residential School were pleasantly excited to receive the members. The students greeted them with great enthusiasm. There was huge smile on the faces of children and they were very happy to engage with them. The students also met the caretakers of Sai Residential School who were busy in helping the children. The Social Service League members engaged them in various sports activities. All the children looked excited and joyful. Some of the children recited poems and a few danced as well. On this occasion, members along with Principal, in-charge and Sports Teacher handed over cartons of seasonal fruits, snacks, biscuits along with ball pens, frisbees and notebooks to the caretakers. The same was distributed to the students.

The members of the SSL spent over two and half hours with the children before bidding them adieu. It was indeed very gratifying experience for the students as they were instrumental in bringing smiles on children's faces even if for a brief span of time. They were able to realize that one must contribute and understand his/her social responsibilities towards society.
