

July 8: An inter-house Spell-Bee competition was for classes IX to XII with an aim to help students to learn to spell quickly, accurately and to encourage students to explore the English language.

The first round was '**POWER- SPELL**' wherein the children were asked to spell words correctly.

The second round was '**WORD- FIND**' wherein the students were to circle the words given to them in an alphabet grid.

The third round was '**JUMBLED WORDS**' wherein the students had to identify the correct word.

The competition was well received by the students and they participated with great enthusiasm and zeal.
