

Pallavan Jhalawar - aims at nurturing future nation builders by providing well trained leaders who becomes leaders not in future but starts becoming leaders for social upliftment at the present.

Asia Pacific School Initiative leadership Programme held in April 2017 with students of various other countries has generated the spark of spontaneous leadership activities which is realising it's outcome with the progress of time.

In upcoming week we are going to have a concluding meet in which we will assess the miles stones reached in the areas of work we have identified namely in improving **COMMUNICATION SKILLS, HEALTH, SPORTS, COMMUNITY HYGIENE AND SOCIAL OUTREACH.**
