

REPORT ON COUNSELING SESSION CONDUCTED ON 31 OCTOBER 2018

On 31st October one session was conducted by a counselor and psychologist and the Principal of Nirmal Bed College, Jhalawar. He had taken a session with students of class IX, and X.

To study their psychology and thinking process, he discussed my issues like their indiscipline behavior, lack of interest in studies, future clarity of objectives etc. He also guided them about proper listening methods, told them to present their opinion, offered support by directly expressing concerns.

He suggested some session with teachers also in the upcoming month and suggested some important concerns for them so that they would be capable to bring the child in the desired manner like:

Teachers should plan their correct approach and teaching strategies, teacher –student communication, how to support vulnerable students, teaching challenges, Classroom challenges etc.
