

PALLAVAN UCHATAR PRATHMIK VIDYALAYA

MONTHLY REPORT OCTOBER 2019

Maths week 2019 from 09 October 2019 to 12 October 2019

Over the course of the week, the whole school participated in different Maths activities designed to challenge their thinking and develop their maths problem solving skills from classes 1 to 12.

These activities included:

Held on 9.10.19

- 1) Learning about famous mathematicians and mathematical concepts.
- 2) Define different geometrical shapes.
- 3) Mathematical puzzles

Held on 10.10.19

- 4) Solving challenge or Riddle with shapes.
- 5) Bake Sale; Comparing, estimating and measuring the size of different objects and showed them through charts.
- 6) A mental maths challenge for children to try to beat their previous score.
- 7) An opportunity for children to compete against the teachers.
- 8) A hands on "Estimation Corner".

Held on 12.10.19

- 9) An interclass collaboration opportunity, in which each class was partnered with another to conduct interhouse quiz.

Maths Week is a fantastic opportunity for children to engage in math activities, which they may not normally get a chance to experience in a normal lesson.
