

NOV 20, 2019

Zee Entertainment Enterprises Limited have initiated **Mind Wars**, a unique **knowledge development programme** for school students (**Classes VI-X**) across India that aims to **make every child smarter through** rigorous quizzing activity to enhance their knowledge on Curriculum (subject domains), General Knowledge and Current Affairs. This will be done through an App especially developed and customized as per the class level of students.

Total 131 students have participated from Pallavan. Our student Parth Saraswat of Class tenth is one of the 5 students out of 260000 students from all over India won the prize.
