

On 9 January'2020

Aryan Nagar of class IX of Pallavan School won the Gold Medal for the team of Rajasthan at the National level Soft Ball championship at Cuttack, Odisha. The Championship was held from 5<sup>th</sup> January to 9<sup>th</sup> January, 2020.

On January 13,2020 In collaboration with Learning Machine, the Pallavan School (Jhalawar, Rajasthan) and Vasant Valley School (New Delhi, Delhi) became the first K-12 institutions in India to issue Blockcerts to their students in 2019. The pilot program was led by Pallavan Learning Systems (PLS), an international educational research organization developing a novel curriculum that emphasizes Five Areas of Development for students: Cerebral, Emotional, Physical, Social, and Spiritual.

1) Letter of Recommendation (shared with permission from Vasant Valley School and Ashutosh Trivedi)

2) Mock School Leaving Certificate (shared with permission from Pallavan School Jhalawar)The pilot program issued multiple types of credentials: Leaving Certificates, Language Certificates, Character Certificates, Letters of Recommendation, and Five Areas of Development Mark Sheets. The issuance of required credentials using the Blockcerts' open standard enables their

secure use and re-use in a verifiable digital format that is block chain-anchored and recipient-owned to participate in the proof-of-concept pilot program in order to demonstrate that students in both rural and metropolitan areas can benefit from receiving credentials in Blockcerts format. According to the Internet and Mobile Association of India, India's internet adoption has reached 451 million people, and mobile adoption is increasingly being driven by rural areas. These trends indicate that students across India stand to benefit from the successful demonstration of the Blockcerts pilot program. As the program moves forward, additional schools and types of credentials will be issued.
